ACHIEVEMENTS

- Got Selected for National Defence Academy-136
- Grabbed 2nd place in Chess State Level competition in VII standard .
- Grabbed 5215 rank in IIT-JEE 2017

PROFESSIONAL BACKGROUND

I have been studying web development since 6 months and I develop in both javascript and PHP, though I primarily use javascript. I am experienced in both front and back-end development, and I am proficient in HTML/HTML5, CSS/CSS3, SASS, JavaScript, jQuery, MERN stack to name a few. I am also proficient in many non-web-based languages, including but not limited to Java,Python and C++.

WORK EXPERIENCE

Bubble Developer

FanAssists |July2021 - Current

-Developed the UI for non-disclosive software used in fantasy football analytics using bubble tool.

Service Analyst Intern

APHRDI | June 2019 - September 2019

-Performed a research that evaluated the problems and viability of 1035 MeeSeva e-governance kiosks in the districtof Visakhapatnam.
- Used Data Analytics to provide some keen insights to resolve the major issues in the viability of these Mee-Seva centers
